RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Beta-Glucan, 7.5mg caplets, a dietary supplement. Source Naturals® is the manufacturer of Beta-Glucan.

Statements being made in the labeling of Beta-Glucan, 7.5mg caplets:

- (1) Beta-glucan is a unique polysaccharide derived from the yeast cell wall.
- (2) It has been the subject of extensive scientific research for the past several decades, and has been shown in animal studies to support immune defenses.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.

Ira L. Goldberg
President, Source Naturals®
